

FCA Board Meeting June 2, 2012

- CALL TO ORDER** President Joe Gorman called the meeting to order at 1:10 p.m. at Gorman house.
- Present: Jim Golan, Joe Gorman, Robin Hendley, William McMahan, Dick Meyer.
- TREASURER'S REPORT**

- COMMITTEE REPORTS**
- By-laws** Dick is mailing to FCA membership for approval the amended by-laws.
- Public Relations** New FCA logo developed by resident Scott Ryan, new brochure and stationery printed. Joe is getting a new banner printed and Beautification Award signs.
- Steve Elliott Award** We will initiate a new requirement that the FCA must be part of the selection process. For instance, students considered for the Steve Elliott Service Award must write an essay to the FCA Board about the community service he/she has performed that directly benefits Finneytown. We need a picture and short bio for PR purposes. Joe will communicate this to the Finneytown Local Schools. Thanks to Cathy Zimmerly and Dick Meyer for coordinating the presentation this year to students Phil Rhinehart and Raven Norman.
- Newsletter** Joe will put in an article about the Elliott award winners.
- Cash Mob** Excellent results of the cash mob for Humbert's Meats last month. Potential cash mob locations include: P & T Restaurant; Angilo's; Bill's Garden; Meals to Go; and, Planet Fitness. Need a coordinator for these events and better PR results for FCA.
- APRIL 26 GENERAL MEETING** Good meeting. The superintendent of Finneytown schools reported 18 families have been removed from school because of residential ineligibility. Cathy Zimmerly is finishing minutes from that meeting and we will post on web site.
- FCA Website** Web host Chris Blair has been paid for hosting services.
- OLD BUSINESS** Joe will investigate and report back to the FCA Board the results of the Hamilton County re-entry housing meeting.
- NEW BUSINESS** MOTION: Dick moved and Jim seconded that the FCA authorize the expenditure up to \$60 to pay for Waycross video services to tape and broadcast our Candidate's Night in October. Motion passed unanimously.

Jim suggested that Bill bring his housing data into sharper focus, distill the many pages of data into a “big picture” of Finneytown housing to FCA Board, Township Trustees, groups. This will be meaningful to those who choose to use the data. FCA will reimburse Bill for the subscription of the Court Index if he so requests.

Next Board Meeting
